I/We the undersigned owner(s) of the following named registered Braunvieh bull wish to acquire an AI Permit on the following bull. I/We understand this bull must meet the BAA's DNA and Genetic Defect Requirements, and the Permit fee paid prior to issuance of the AI Permit.

Reg. Number

Name of Bull

Please select one of the following options for this bull:

- No AI Certificates required to register progeny from this bull. All AI progeny will be charged an AI Registration Fee by BAA. Fee noted on the BAA Fee Schedule.
- AI Certificates **will** be required to register progeny from this bull. Bull owners set the price of the certificate, and from that price, the BAA will deduct the BAA AI Registration Fee noted on the BAA Fee Schedule.

_____ AI Certificate Price to be charged, including BAA Fee.

If this bull is co-owned, the owners of record designate the following owner as the entity to make changes to this agreement and to be reimbursed from BAA for any certificate revenues collected.
