

## **Braunvieh Junior Achievement Award**

### **A Scholarship Program of the Junior Braunvieh Association of America**

The Braunvieh Junior Achievement Award is presented in recognition of outstanding achievement to members of the Junior Braunvieh Association of America. The award is designed to recognize individual and cooperative effort, enthusiasm, excellence, leadership and achievement among youth active in the Braunvieh breed.

Any member of the JBAA or the BAA who is at least 17 years old and not more than 21 years old on January 1, of the year of application is eligible to apply for the Braunvieh Junior Achievement Award. This award program is designed for junior members who will soon enter college or who are already attending college.

Candidates compete for two scholarships sponsored by the Braunvieh breeders and coordinated by the Braunvieh Association of America. First place will be awarded a \$500 scholarship and second place will be awarded a \$250 scholarship. At least one semester of college must be completed prior to any funds being awarded. Schools that qualify for attendance are a four-year university, a two year community college or a technical school program. If you have already fulfilled the semester requirement, include a copy of your transcript with the application. If you have not completed a semester of college and are a scholarship winner, the funds will be awarded in the future after you submit your transcript to the BAA. If you do not complete at least one semester of college work, the scholarship award will be forfeited.

Applicants meeting the age requirements can apply any number of times, provided they are not previous winners. A new application must be submitted to apply for the award each year, although the applicant may use the same letters of recommendation.

The applications will be reviewed by a selection committee and the top finalist will be invited to interview with the selection committee at the Junior National Braunvieh Show. Winners will be announced at the JBAA Awards banquet at the Junior National Braunvieh Show.
