

Braunvieh Association of America DNA Testing Submission Form

Contact the BAA for blood sample cards. Cards must accompany this form and be returned with payment. There is a \$5 charge for no form or hair samples submitted without card. **REQUIRED FOR ALL ANIMALS.**

Braunvieh Association of America Authorization: "I hereby agree that all genetic material submitted is the sole property of the BAA. I hereby authorize BAA to publish all genetic testing data results obtained now and in the future to the general public from any sample submitted. I agree to waive and hold harmless and indemnify BAA and Neogen from any claim arising from testing or publications of data. By submitting these samples for DNA testing at the Braunvieh Association of America, I agree to these terms."
 Signature/Date (testing requires signature): _____

Non-member fees are listed below in the second cost per test column. These fees are double the cost of member fees.
